# ESTUDIO MARISCAL

---

**We added dignity to an object that is always hidden and converted it into a gift item.**

Thanks to this lavatory brush, designed for the company, Cosmic, which specialises in bathroom accessories, we proposed giving dignity to an object that is usually reviled. Thanks to its approximation to a floral shape, its functionality and its formal expression are perfectly dealt with.

The poetry and beauty of the flower make this lavatory brush a gift item.
